## HOTEL ORLANDO

It's been a long time coming, but the 1,000-room **Hilton Orlando Bonnet Creek** and 497-room **Waldorf Astoria Orlando** are scheduled to open this fall. Everything to make a planner's day: A whopping 150,000 sf of flexible function space and an 18-hole Rees Jones golf course, secluded on almost 500 acres near the parks and airport. The 24,000-sf spa with 23 indoor treatment rooms and six outdoor rooms will be operated by Guerlain.
